Judy Note:

- **There were 333 CIA funded Bio-weapon labs** across the globe ready to release Pathogens on the population – until Putin “invaded” Ukraine and began destroying them while rescuing children in Underground Tunnels beneath Biden-owned Ukraine property.
- **Tier4B (us, the Internet Group)** was believed scheduled to begin exchanges the early part of next week.
- **Global shortages** of food, fuel and goods continued.
- **170,000 Illegals were amassed on the US Southern Border** ready to storm across when Biden ended Trump’s Covid rules.
- **The Rockefeller Foundation Think Tank planned the Pandemic back in 2010.**
- **A Sun. 20 March live interview between Trump and Putin could reveal a Checkmate.**

A.Russia-Ukraine “War” Connected to CV-19 and Bio-Weapon Labs across the globe:

- **Covid 19 did not escape from Wuhan.** With the court-ordered release of Pfizer documents on **1 March**, we were just now discovering that North Carolina University Chapel Hill level 4 lab. of Duke University was the origination point of Sars Covid 19.
- **The real truth was that hundreds of U.S. funded 333 Biolabs** across the world received the SARS and other pathogens from the U.S, grew the Pathogens in mass formation (multiplied the production of the SARS, Bird Flu, Ebola, ect) and then released the Pathogens in sequence on many countries.
- **The Russian so-called attack on Ukraine created a False Flag War.** The real purpose of Putin going into Ukraine was to destroy the thirty-three US CIA funded Bio-Weapon

labs in Ukraine – the center of Deep State Operations. The Pathogens were set to be released on the public next Fall as part of the Depopulation Plan of the Deep State. The latest Pathogen was designed to kill only people of a particular race – Russian.

<https://guardian.ng/features/health/bioweapons-designed-to-kill-only-people-of-particular-race/>

- **Meanwhile Ukraine Nazi Deep State government was killing it's own people and blaming it on the Russians.** Another Ukrainian OTR-21 Tochka ballistic missile was found at the port of Berdyansk. This one too was intercepted by Russia air defenses before the warhead could reach its target. Russian troops claim that Ukraine was launching its limited stockpile across the front lines, and at cities and towns far to the rear, where there were little to no Russia troops. It was believed that Kiev wanted to use as many of it's missiles as possible now, before remaining launchers and missiles could be destroyed in Russian airstrikes while in transit or storage.
- **While the Main Stream Media distracted the public with fake news about Ukraine –** the center of Deep State operations - the Play Book of the Rockefellers, Rothschilds, Chinese Communist Party and Khazarian Mafia called for controlling civilization through a war on food distribution and digital banking in an operation named Lock Step.
- **Having created hunger and starvation by interrupting global food supply chains, the Deep State government** would then step in as heros and give out food rations and free money, but you would have to register through their digital banking system that controlled your banking and connection to the new system.
- **If you broke any agreements** of a long worded pressed digital document, your bank accounts and assets would be frozen. You could not speak/write or share misinformation on the current pandemic procedures, vaccines, virus origins, war info. That would contradict the mainstream narration.
- **While the White Hats were behind the scenes channeling this Deep State Lock Step Plan into a Great Awakening and Global Currency Reset,** it was strongly advised to have enough food, fuel, cash and essential supplies for 30-90 days.

B. Global Currency Reset:

- **On Sat. 12 March** banks worldwide were switched from the old Cabal-owned SWIFT Global Financial System to the new Quantum Financial System.
- **On Tues. 15 March** Delta Force Seized the Emergency Broadcast System from the corrupt CIA at their Virginia complex. [Delta Force Seizes Deep State Stronghold - Real Raw News](#)
- **Wed. morning 16 March** the US Petro Dollar was no more.
- **As of Fri. 18 March at 6pm EST** the fiat US Dollar would no longer be used in International Trade.

- **Judy Note:** It appears to me that with the US Petro and fiat Dollar no longer valid as of **Fri. 18 March** that they would have to immediately switch to the new gold/asset-backed US Note.
- **Redemption Center** folks will be working on **Mon. 21 March**.
- **Reno** says it is going to be **early this next week**.
- **Tier 4B (us, the Internet Group) notification** to set Zim Bond redemption and foreign currency exchange appointments would likely be **Mon.-Tues. 21-22 March** according to Bruce.
- **We should have 10 days** to set out appointments and 30 days to exchange.
- **The Redemption Center** people are trained to redeem and exchange the currencies we have with contract rates that were agreed to in a contract. Banks will have street rates
- **100+ nations have global agreements** now being deployed called 'Project Sandman' to drop and end dominance of U.S. dollar and petrodollar.
- **"Project Sandman"** describes a 100+ nation agreement that, when triggered, will see those nations simultaneously dump the dollar and abandon the "petrodollar" status that has allowed the USA to enjoy 50 years of fiat currency counterfeiting and material abundance at the expense of everyone else. When this decision is triggered, the dollar and all dollar-denominated assets will plunge to near-ZERO literally overnight.

- **Bruce, Holly and MarkZ** all report that Bond Holders were gradually being paid out this week with full access to their monies.
- **MarkZ:** "I have lost over half of my bond folks....gone...like they have fallen off the face of the earth. No communication at all....it could be an NDA. They expect ALL bonds to be paid by next Thursday. They need a certain percentage of bonds completed before we go."
- **Fleming:** "**Now that Russia and China** have declared they are gold-backed-asset-backed, with solid, verified assets as required by the International Monetary Fund, all countries will follow, beginning with the US."

C. The Real News for Sat. 19 March 2022:

- **Ukraine and the Deep State Khazarian Mafia Nazis:** Former Australian Special Forces Commander Riccardo Bosi on Ukraine: "Ukraine is the center of the deep state. It's the head of the snake and Vlad's taking the head off. Ukraine has been the center of the globalists for decades and decades...The CIA has been working in the Ukraine for 70 years. Hell was about to break loose at the U.S. border. Already there has been thousands of killings in the past months. Weapons trafficking, human trafficking, drug smuggling and a Fentanyl Epidemic was coming through Mexico at the highest levels in history. D. On New Year's Day 2021 Delta Forces raided Joe Biden's 200 acre property in the Ukraine where they found a maze of underground chambers and tunnels that ran for miles in every direction.

Bits of necrotic flesh hung from ankle and wrist shackles bolted to the walls. The next day Biden was placed under arrest and released wearing his own ankle bracelet.

Seized laptops were said full of evidence of a massive international money laundering, gun/ drug running, child/human trafficking scheme – that appeared connected to other high powerful elites – including SCOTUS Chief Justice John Roberts,

Biden's and Robert's crimes against Humanity appeared connected through the CIA, along with nine other intelligence agencies including the FBI. The covert agencies appeared to be running a human trafficking, gun and drug running ring used to blackmail political elites. All was being funded by US taxpayer dollars funneled through the CIA – long known to have worked with Jeffrey Epstein and his Pedophile Island in the blackmail of political and global elites.

On the Biden Ukraine property the military seized \$300 million in gold bullion, Chinese-manufactured Type 56 assault rifles, tens of thousands of rounds of ammunition, laptops and in an underground antechamber were twelve duffel bags filled with black tar heroin.

The Ukraine Biden estate was found to be the headquarters of Paradine Global Advisors. In the late summer of **2006** the Biden family bought Paradine as a hedge fund and fired 95% of staff. By **June 2009** the company was found to be a slush fund for laundering money.

At a cabinet meeting last week, Sunak said that if Europe severs energy ties with Russia, as Western European leaders suggest, the UK will suffer damage in the amount of 70 billion pounds and enter a recession. Although the UK imports only 8% of Russian oil, the EU depends on it much more - almost 40%, and the economic turmoil caused by a possible ban will also hit London

- The firms are also planning to remove all unpaid debts of less than \$500 in the first half of 2023 - a threshold that could rise, sources close to the matter said
- Under the companies' new guidance, new unpaid medical debts won't get added to credit reports for a full year even after being sent to collections
- Outstanding medical costs can result in consumers being denied loans for cars homes, and college, as well as applications for property purchases and rentals
- The change announced by the three credit giants - the world's three largest consumer credit agencies - seeks to aid those negatively affected by those debts...

L. 17 March 2022 Putin Updates Trump on Ukraine Cleansing, Michael Baxter:

- **On Wed. 16 March the mainstream media** went abuzz when Russian leader Vladimir Putin said he had the might and will to put Western governments “in their place,” but instead of framing the statement in proper context, news agencies across the world again accused Putin of threatening nuclear war—a cataclysmic calamity Putin has told President Trump he will not instigate.
- **Putin and Trump** have had several telephone conversations on which Putin outlined his true goals—destroying Western-funded bioweapon labs and “crushing” pedophile rings—and updated Trump on military progress. On a Wednesday evening call he repeated his mission statement and said the criminal Biden regime was mischaracterizing and distorting his statements, and often omitting key translations, to further paint him as a maniacal madman hell bent on conquest and world domination, a Mar-a-Lago source told Real Raw News.
- **“Like many world leaders, Putin doesn’t see Biden as the rightful president of the U.S.** That’s why he won’t talk to him—only Trump. Putin’s said several times he won’t be the one to trigger a nuclear Armageddon, but Team Biden wants the world to believe he’ll do just that. At least according to Putin, he’s been ridding the Ukraine of what he’s called Western ‘pestilence,’ and won’t stop until he’s absolutely certain all biological research centers and storage facilities are accounted for and wiped out, and he’s destroyed all the pedophile dens across Ukraine. That and he’s still hunting down Western bio scientists in hiding,” our source said.

- **As of Putin’s last update, the Russian military had tracked down and “eliminated” 7 of 19 bioweapon engineers, and Spetznas had freed over 5,000 child trafficking victims.** “This is a mission that must be done, President Trump. These scum must be stopped,” Putin reportedly told Trump. “You do believe me, don’t you, President Trump.”
- **“My inclination is believing the opposite of whatever craziness the Deep State says,”** Trump replied. Moreover, our source said Putin’s kindness toward American children has cemented Trump’s belief that Putin’s mission, at least in part, is righteous and just.
- **Five American children who had been imprisoned** in Ukrainian child trafficking camps have returned home, reunited with their families.
- **Additionally, Putin has given Trump irrefutable evidence** that Russian forces had selectively targeted bioweapon storage buildings while taking great pains to avoid causing civilian casualties. That evidence is said to include photographs and videos that the MSM refuses to air.
- **Although Putin claimed he has no interest in harming Americans—**unless they’ve taken up arms on behalf of Zelenskyy—the same does not apply to the criminal regimes of Joseph Biden and Boris Johnson.
- **“Putin told Trump point blank he’d issued a ‘kill-on-sight’ edict** for members of the U.S. and U.K. administrations. If any of them are spotted in Russia or Ukraine—it’s open season,” our source said.

O. Ukraine History Catherine Austin Fitts and Karel van Wolferen discussed Ukraine, NATO, the EU and Putin's shocking chess moves in Davos

- **Karel van Wolferen is a writer, journalist,** professor, publisher and one of the most respected experts on geopolitics in the Netherlands. Catherine Austin Fitts visited van Wolferen last week to discuss in detail his views on the events in Ukraine and how they relate to the desire to establish centralized control around the world.
- **They started by discussing the historical context** of what is happening in Ukraine today. According to van Wolferen, in 2014 there was a coup d'etat in Ukraine, in which George Soros played the main role. Adding that "Victoria Nuland, who was deputy Secretary of State in one case or another, once boasted that they spent \$5 billion to go so far as to make this coup, although she did not call it a coup." He turned Ukraine from a

sovereign country into a country remotely controlled by Washington and, more directly, controlled by the CIA to conduct more detailed operations, false flags and so on.

- **In the last two years, Europe and the countries of the "Five Eyes" have probably suffered more than the United States**, and in a different way, from a criminal syndicate that tried to establish a supranational totalitarian system with the World Economic Forum as an important coordinating body, an organizational center, van Wolferen explained, "and in the long run this will create a slave-owning society".
- **This is a really thought-provoking** and mind-opening discussion that you definitely need to listen to. During the discussion, van Wolferen stated:
- **"Putin has taken up Davos.** This is the first challenge to Davos, the World Economic Forum, Gates and many others. Because of the sanctions, he created a new geo-economic system."
- **"The European Union turned out to be a monster.** A really terrible thing. The EU may well become the most dangerous thing for Europe if this continues.
- **"WHO will be the sole authority over all UN member states.** This means that Bill Gates has become a great authority in the world over everyone. This is design. It's unbelievable."
- **"Russia is the first challenge to all this.** This is the first challenge to Davos. The first real challenge. You see, your scheme is much more optimistic than mine, so I want to stay with your system," Fitts said. <https://tube2.solari.com/videos/reset-in-ukraine-with-karel-van-wolferen-1080p-hls/> <https://dailyexpose.uk/2022/03/19/catherine-austin-fitts-and-karel-van-wolferen/>

Q. Why did the Deep State Cabal fund so many biolabs?

- **The answer is pathogens are easily disrupted** by the air, water, fire (heat) (cold) surrounding atmosphere.. Including the chemical compounds created by the Earth, trees and plants.. photosynthesis and chemical reactions in oxygen. (Climate changes include

alternations in one or more climate variables including temperature, precipitation, wind, and sunshine. These changes impact the survival, reproduction, or distribution of disease pathogens and hosts, as well as the availability and means of their transmission environment.)

R. Putin bombs Biden's villa in Ukraine and cracks down on bio labs and pedophile rings.

- **Russian President Vladimir Putin** told President Trump on Tuesday that the Russian military had destroyed a variety of foreign bioweapons facilities running loose in Ukraine until his military took decisive and strategic action to rid the corrupt nation of what he called satanic influence, a Mar-a-Lago source told Real Raw News.
- **While much of the nation sat in front of televisions** and computers watching the illegitimate president's State of the Union address - in a room half-filled with impostors - Putin and Trump held a 20-minute phone conversation from his command center at Mar-a-Lago in which they once again discussed the Russian leader's real reasons for attacking Ukrainian sovereignty.
- **In the first half of the conversation, Putin briefed Trump on his efforts to destroy Western-sponsored bio labs in Ukraine**, which he called an "eyesore" in a once-beautiful landscape. According to Putin, who in 7 days has become the world's most villainous villain, replacing Xi Jinping, the Russian military has wiped out: 11 U.S. State Department/Department of Defense-funded bioweapons facilities, 4 German toxic chemical research centers, 3 Swiss nanotechnology centers, 1 French biotech consortium, and 3 Israeli laboratories that were feverishly working to develop aerial rabies. In addition, Putin claimed that his forces had conducted precision attacks on mobile bio labs (18-wheeled transporters that had been insecurely converted to makeshift labs) that were attempting to transport deadly pathogens across the Ukrainian border into Poland. He told Trump that Russian SU-35 aircraft used laser-guided munitions to eliminate the roving labs.
- **Putin said his warplanes destroyed a 200-acre villa owned by Biden** 35 km west of Kiev. He insisted that Biden was deeply involved in Ukraine's criminal activities and promised Trump he would soon provide the world with "all the evidence it needs." Moreover, Putin claimed that "many people in Biden's demonic den" were benefiting massively from the "conflagration of evil" that had taken hold on Ukrainian soil. Twenty of Biden's fellow foreigners, Putin said, were killed in the attack.
- **In addition, Putin continued to characterize stories of his madness as Western propaganda** and refuted stories of mass defections or of his convoys running out of fuel and food. He also rejected Western claims that his troops were committing war crimes by indiscriminately bombing and shelling innocent civilians.

S. "Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities," by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan appeared to be organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

T. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

U. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

V. The Global Currency Reset and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
